About the Green Restaurant Association

The Green Restaurant Association is a national non-profit organization that provides the only official Certified Green Restaurant® mark in the country. For 23 years, the GRA has pioneered the Green Restaurant® movement and has been the leading voice within the industry encouraging restaurants to listen to consumer demand and green their operations using transparent, science-based certification standards. With their turnkey certification system, the GRA has made it easy for thousands of restaurants to become more environmentally sustainable in a profitable manner. The GRA is endorsed by scores of national environmental organizations such as NRDC, and esteemed trade organizations including the New York State Restaurant Association, Orange County Restaurant Association, and America Public Garden Association. The GRA is also an Energy Star partner. In 2010, CitySearch announced the GRA as their official Green Restaurant® listing partner. The GRA has been featured on CNN, NBC Nightly News, NPR, and in The New York Times, and The Washington Post. For more information visit www.dinegreen.com.
